Description

Situated in a desirable village location and forming part of a thoughtfully converted former pub, this superbly presented two-bedroom ground floor apartment benefits from a basement room and carport parking.

PROPERTY

This beautifully maintained home is accessed via a communal entrance hall, leading into the lounge, which is positioned at the front of the property. The lounge features a trap door providing access to the basement room, offering excellent potential for conversion into an additional reception space or home office.

The kitchen is fitted with a range of cupboards and drawers, complemented by a practical breakfast bar, built-in oven, hob and extractor hood, space for a washing machine, tiled splashbacks, and wood-effect flooring.

A step leads up from the kitchen to an inner hallway, which provides access to both bedrooms.

The accommodation is completed by the family bathroom, fitted with a suite comprising a bath with shower over, WC, and wash hand basin.

OUTSIDE

To the rear of the property, there is allocated parking in addition to a carport space.

LOCATION

The property is located in the heart of the village, just moments from a range of local amenities including a doctor's surgery, primary and secondary schools, shops, and pubs. The village also offers convenient access to local road and rail networks, with the M4 and M5 both easily accessible.
