Positioned on a generous corner plot in the popular area of Mickleover, this two-bedroom detached bungalow offers an appealing combination of spacious accommodation, versatile reception rooms and an exceptionally private wraparound garden. The property provides a wonderful opportunity for those seeking the convenience of single-storey living, whilst still enjoying plenty of space both inside and out.

A welcoming kitchen leads into the central hallway, with all rooms thoughtfully arranged from here. The property features two genuine double bedrooms, including a particularly spacious principal bedroom with a bay window and an excellent range of fitted furniture. There are also multiple reception spaces, with the lounge opening into a large conservatory and a further impressive sun room providing an abundance of natural light.

Outside, the corner position creates an unusually generous garden which extends around the front and both sides of the bungalow. A driveway provides parking for two vehicles and leads to a single garage.

THE DETAIL

The Detail

The property is approached via a composite entrance door which opens directly into the well-equipped kitchen. The kitchen features tiled flooring, an integrated double oven and electric hob, together with space for a fridge freezer, dishwasher and washing machine. Dual aspect windows bring plenty of natural light into the room, whilst the Worcester combi boiler is also housed here.

From the kitchen, the central hallway provides access to all of the accommodation and benefits from a useful storage cupboard and fitted alarm system. The lounge is a comfortable reception room with a brick and tiled fireplace and hearth, with provision for an electric fire. Double glazed doors lead directly into the conservatory, creating an excellent flow between the two reception spaces.

The generously proportioned conservatory provides valuable additional living space and could be used as a second sitting room, dining room or entertaining space. Vinyl flooring and a door opening onto the courtyard section of the garden make this a particularly versatile part of the home.

The large sun room is another significant feature, with dual aspect windows, tiled flooring and patio doors opening directly onto the garden. This bright and versatile room could accommodate a variety of uses according to the needs of the new owner.

The principal bedroom is a particularly generous double, featuring a bay window and an extensive range of fitted wardrobes, bedside tables and drawers. Bedroom two is also a double bedroom and benefits from a window overlooking the garden. The shower room includes a shower enclosure with electric shower, WC and vanity unit with wash basin, complemented by recessed spotlights.

Externally, the bungalow occupies an attractive corner position with the garden wrapping around the front and both sides. Established bushes create a private setting, whilst several patio areas and established garden sections provide plenty of opportunities for seating, dining and enjoying the outdoors. A courtyard directly outside the conservatory adds further flexibility, with gated access leading to the driveway. The driveway provides parking for two cars and leads to a single garage.
