This deceptively spacious four bedroom home is perfect for those looking to take their first step onto the property ladder without compromising on space, flexibility or location. From the moment you arrive, the generous driveway sets the tone, offering plenty of room for multiple vehicles and making day to day life that little bit easier.

Step inside to a hallway that leads into a cosy yet well proportioned front living room, just the spot to relax at the end of a long day. To the rear, the home really comes into its own with a refitted dining kitchen that feels like the natural hub of the house, a place where family meals, homework and catching up over coffee all come together. The addition of a separate utility room/WC keeps everything practical and organised.

Upstairs on the first floor, there are three bedrooms along with a family bathroom, offering plenty of space for growing families or those needing a home office. Head up again and you discover a fantastic loft bedroom. An inviting, tucked away space with storage built into the eaves, making it ideal for a teenager wanting their own retreat or for visiting guests.
