Milford Haven has the largest port in Wales, and the third largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th century expansion took in several other settlements. Hakin and Hubberston are older, and situated to the west of the main town. The town also benefits from a variety of shops and services.
