Situated in a highly desirable residential area to the south side of Kettering is this immaculately presented two bedroom semi detached home. Being located within close proximity to a host of amenities including schools, shops and great transport links; married with the fact that this home has been renovated to a high standard and on an enviable plot with garage, this would be perfectly suited to a first time buyer, home mover or investment buyer.

Upon entry you are greeted by a welcoming entrance hall that leads through to a spacious dual aspect lounge/ diner. The lounge/ diner is filled with natural light and further boasts a beautiful remote controlled gas, log burner-effect fire, and also french doors providing access to rear garden and access to a modern refitted kitchen. The kitchen itself has been thoughtfully designed and provides a mixture of both wall and base units, space for appliances and a breakfast bar; perfect for those busy mornings.

To the first floor are two generously sized bedrooms with the master bedroom benefitting from two large windows filling this room with an abundance of natural light. Furthermore is a beautifully refitted, contemporary shower room with a stunning walk in double shower.

To the rear of the property you will find a stunning manicured garden with patio area, raised sleeper bedding area and the remainder being laid to lawn, all inter connected with a path leading to all areas. To the side is a well proportioned hard standing area with access to the front that can be redesigned to create an area of peace and tranquillity away from the main garden or primed to provide an extension to the property (subject to planning permission).

To the front is a large mainly laid to lawn garden, enclosed by a picket fence and a recently block paved hard standing area that would make an ideal driveway (subject to planning permission).
