

Addison Road, TW11

£749,950

At over 1300sq ft, this four bedroom family home is immaculately presented and located in an excellent spot for school catchment and transport links into London.

Easy access in the London from Teddington mainline station. An ideal position for Primary and Secondary schools, not to forget Teddington high street, Bushy Park and the River Thames.

Features

- Four Bedrooms
- Central Location
- Ideal For Schools
- Immaculate Presentation
- Over 1300 sq ft
- No Onward Chain

Addison Road, TW11

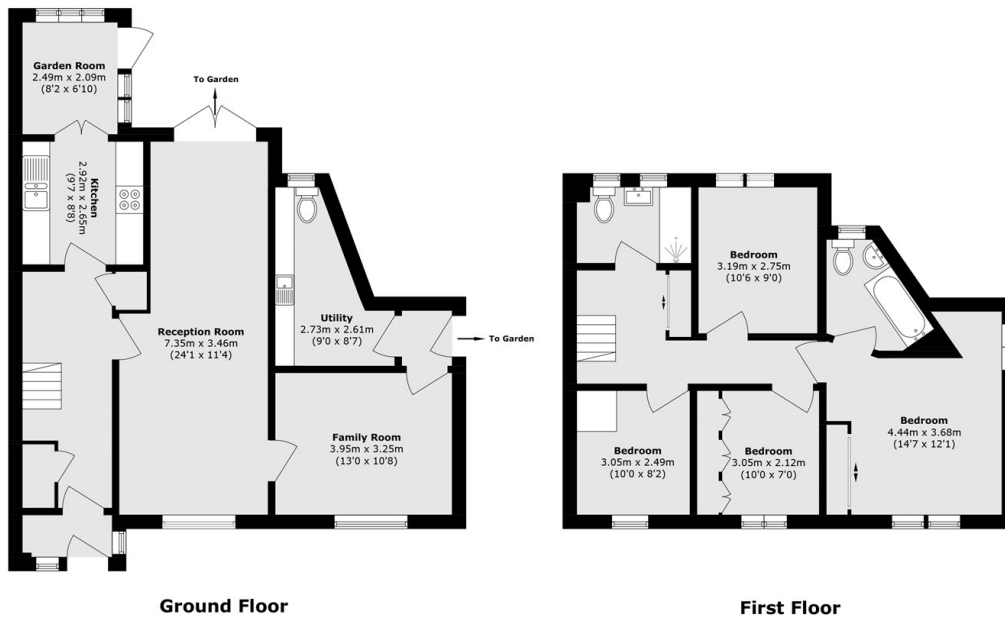

Accommodation is flexible, especially on the ground floor where the second reception room leads through to the utility/cloakroom and secure independent access to the side of the property if needed.

The main reception room has access into the garden as does the modern kitchen/breakfast room. There are four good sized bedrooms on the first floor, the master has an en suite bathroom and there is an additional family shower room.

The garden to the rear is low maintenance with side access, and there is secure front garden which is opposite a children's playground.
