Overview

This bright, south-facing apartment is in fantastic condition, with a well-proportioned lateral layout, a contemporary kitchen and generous bathroom, modern specification, and direct views toward the River Thames.

Little Adelphi is a highly prized building, popular since its development in the mid-1990s due to its quiet, secluded location nestled between the Strand and the river, only moments from the hustle and bustle of Covent Garden, with convenient access to the City of London. The block is served by two passenger lifts and is one of a handful of buildings benefiting from a 24-hour concierge. A secure car park is beneath the building.

The beautiful and serene Embankment Gardens are literally moments away, along with the countless restaurants, boutiques, luxury retailers, coffee shops, bars, and clubs of the wider West End. Transport links can be accessed from nearby Charing Cross and Embankment stations for underground and overground services. Riverboat services to the City and Canary Wharf operate from nearby Embankment Pier, while several bus routes from the Strand offer quick connections to the City and West End.

The apartment is available from mid-January on a furnished basis. Subject to contract and satisfactory references. Westminster Council tax band: F.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

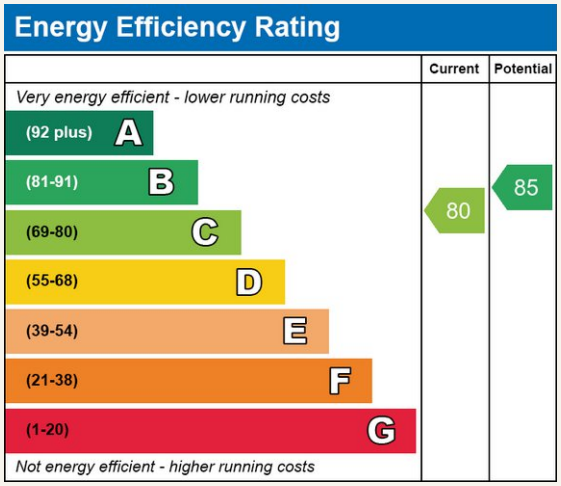

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
