Nestled along the ever-popular Walton Road within Clevedon's sought-after Swiss Valley, this detached family home occupies an impressive plot and presents an exceptional opportunity for those looking to create something special. Requiring modernisation throughout, the property offers the perfect blank canvas to redesign and personalise, while the added benefit of planning permission for a separate dwelling alongside the existing home significantly enhances its appeal. Whether you're seeking a substantial family residence, a development opportunity, or space for multi-generational living, the possibilities here are considerable.

A welcoming entrance hall provides access to the well-balanced accommodation. The kitchen enjoys a front aspect, while the generous L-shaped living and dining room creates an excellent space for family life and entertaining, flowing naturally into the conservatory overlooking the gardens. The ground floor also benefits from a useful study, utility room, cloakroom, entrance porch and an attached double garage.

Upstairs, the spacious landing leads to four well-proportioned bedrooms, all served by a family bathroom, providing comfortable accommodation with excellent scope for future enhancement.

Occupying what effectively feels like a double plot, the gardens wrap around the property, offering extensive outdoor space for children to play, keen gardeners to enjoy, or further landscaping projects. To the front, an in-and-out driveway provides ample off-road parking and complements the attached double garage.

Swiss Valley is a desirable residential location, favoured for its family-friendly setting and excellent convenience. Well-regarded schools, transport links and everyday amenities, including The Old Inn and M&S Food, are all within easy reach, while Clevedon's charming town centre, Victorian seafront and iconic pier are only a short distance away.

Offered for sale with no onward chain.

"A rare opportunity to create an exceptional family home with planning permission unlocking even greater potential."

HOW TO BUY THIS PROPERTY
