An impressive detached property offering approximately 2,000 sq ft of accommodation, providing plenty of space for modern family living. The property combines a generous layout with the opportunity for a new owner to update and personalise the accommodation to suit their own requirements.

The ground floor provides a welcoming entrance and a selection of well-proportioned living spaces, offering flexibility for both everyday family life and entertaining. The generous footprint creates the potential for a variety of layouts, while the three bathrooms provide valuable practicality for a busy household.

One of the property's greatest attractions is its position on Allenby Road, a well-established and highly regarded residential road within Maidenhead. The surrounding area is predominantly characterised by substantial family homes, and recent sales demonstrate the strength and desirability of the road.

The property also offers scope for further improvement and modernisation, making it an exciting proposition for buyers who want to create a home tailored to their own style and requirements. Rather than paying a premium for someone else's finished specification, there is an opportunity here to add value and make the most of the property's generous proportions.

The location is particularly appealing for families, with a number of well-regarded schools within the wider area, while local shops, amenities and transport links are all within easy reach. Furze Platt station is nearby as is Maidenhead's mainline station and the Elizabeth Line, with trains to London Paddington in 20 minutes.

Properties offering this combination of size, position and potential are increasingly difficult to find in Maidenhead. Allenby Road represents an exciting opportunity for a purchaser looking for a substantial detached home with the scope to create something truly special.
