The Property

This immaculately presented two-bedroom property has recently undergone a programme of renovation by the current owners and offers light, spacious and flexible living accommodation in a contemporary style. Particular mention must be made of the stunning extended, open plan living dining kitchen with bi-fold doors leading out to the private rear garden, the separate living room with wood burning stove, beautifully refitted bathroom with free-standing bath as well as dressing room/study off the master bedroom giving fantastic potential for a potential en-suite if desired.

Located in an ever popular position within the heart of the village, close to all local amenities and the Mobberley Conservation Area whilst being ideally positioned for all major network links to the Northwest and beyond. The property is approached over a block paved driveway, providing off road parking, leading to the front entrance and side ginnel giving access to the rear, flanked by mature hedging and wood lap fencing.

The rear gardens are a lovely feature of the property, being of a generous size with a private aspect. Laid to lawn in the main with a range of well stocked raised beds fully contained by mature hedging. A path leads to an additional flagged patio area perfect for alfresco dining.
