Realistic Offers Considered £250,000

An excellent opportunity to acquire a freehold block of two self-contained one-bedroom flats, offered for sale together as a ready-made investment purchase.

The property comprises a ground floor flat and a first floor flat, both currently let, producing a combined rental income of £15,900 per annum, representing a gross yield of 6.36% based on the guide price of £250,000.

Each flat offers well-proportioned one-bedroom accommodation, arranged to provide practical and comfortable day-to-day living. Features across the block include double glazing, electric heating and immersion tanks, with both flats offering straightforward, manageable layouts that are well suited to the rental market.

A particular benefit of this opportunity is that the property is being sold freehold, with no service charges, no ground rent and no formal block management costs, making it an attractive and uncomplicated addition to an investor's portfolio.

This is an ideal purchase for buyers seeking an income-producing residential investment with two established tenancies already in place.
