Summary

A well presented, extended, three bedroom home in a quiet residential setting on the edge of Cricklade, offering more space than first appearances suggest. The ground floor includes a generous living room, kitchen/breakfast room, additional dining/reception space and conservatory, while outside there is driveway parking, and an enclosed rear garden. A great position for the Thames Path, North Meadow, local leisure facilities and the town centre.

Step inside

The entrance porch provides a practical first impression, with a useful storage cupboard before opening into the main living room. This is a generous space, comfortably arranged for everyday family life, with stairs rising to the first floor and an easy flow through to the kitchen/breakfast room.

The kitchen is fitted with a good range of storage and workspace, with room for the usual appliances and a breakfast area beyond. This is where this style of home would traditionally stop, but here the accommodation has been extended to create a valuable additional reception space, currently used as a dining area. It adds flexibility, giving buyers that extra bit of breathing room for family life, entertaining, working from home or simply spreading out. From here, the conservatory provides a useful connection to the garden and gives another adaptable space, whether used for boots, coats, pets, plants or a sunny spot to sit with a coffee.

Upstairs, there are three bedrooms, two of which benefit from built-in wardrobes. The bathroom has been updated with an attractive modern suite, giving the first floor a clean and practical finish.

Step outside

To the front, the property offers driveway parking for two vehicles, with additional off-road parking for two further cars, a real advantage in a residential setting.

The rear garden is enclosed and arranged with a lawn, paved path and a decked seating area, creating a manageable outside space that works well for children, pets, summer seating or easy day-to-day use. There is also gated rear access, adding to the practicality.
