NO CHAIN.

EPC Rating: D

The property forms a charming property within a fabulous private setting, with lovely landscaped gardens and wonderful views across the Rother Valley, yet only a few hundred yards from the middle of the village. The property has been extended by the current owners, to form an open plan reception area linking across the rear of the property and making the most of the lovely gardens and views. New electrics were added at the same time, plus under floor heating within the extension, and new multi-paned double glazed windows throughout (apart from the hallway stained-glass window).

The long driveway leads up to a parking area, and a gate and path leads to the side of the house, with a rear door to the useful utility area, complete with coat racks and space for a washing machine and tumble dryer, window, boiler and control panel for the photo-voltaic panels (current not connected).

An door leads into the inner hallway, with a door to a WC, and a useful cloakroom with a sink is opposite. There is an arch leading to the entrance hall with the principal front door and oak staircase

to the first floor, with large leaded light and partly stained-glass window to the front.

The study is a charming room, with a stone-built fireplace, exposed timbers and parquet flooring plus a window to front. All the main reception rooms then are linked by the extension, and face the rear over the garden and the views beyond.

There is a separate sitting/play room to one end, linked to the study and dining area via pocket doors. There is a music room between the extension and the hallway, and adjacent is the kitchen which, in turn, opens into the dining area. Arranged as two areas, with the dining area

providing a table and chairs by the window overlooking the rear garden, and the kitchen area comprising an array of cupboards and drawers having the benefit of a window overlooking the side garden and the path from the driveway. The kitchen also has tiled splash backs, integrated appliances and ceramic sink with drainer, and a door to the walk-in larder cupboard, plus a further door to the hallway.

The first floor comprises an open landing with oak balustrade, large store/cupboard and three double bedrooms, all of which enjoy the views. The master bedroom has an array of fitted wardrobes.

The bathroom comprises an aqua suite with a WC, basin and bath with shower over and shower screen, tiled walls, radiator with towel rail and a window to side.

Outside, there is a driveway leading from Vale Road to a parking area in front of the two garages, plus a workshop/garden store. To the front of the house, there is a further area of garden which also has pedestrian access to Vale Road. This area of garden has a brick path to the front door, paved path around the house and has a gravel area for ease of maintenance to one side and a lawn to the other with vegetable patches and flower borders, whilst beyond is a small sandstone wall with space behind for a greenhouse and shed.

The rear garden is a delight! From the garden terrace, your eye is drawn out over the wide panoramic view leading straight down over the lawn and the horizon beyond. Brick steps lead down from the upper lawn, to the pond area with mature shrub borders. An expanse of lawn beyond, with a number of maturing specimen trees and shrubs to either side, all enjoy views and the peace of surrounding gardens and paddocks.

The property is located on Vale Road, a very quiet no-through lane that leads down to a few other houses and farms, with fields and woodland beyond. Footpaths are very close by and make the most of the location to access not only the fields and woodland, but also the centre of the village.

The 16th Century beauty of Mayfield High Street is only a few hundred yards away. Facilities in the village include a small supermarket, butcher, baker, pharmacy, florist, greengrocers and deli as well as GP surgery, dentist and hairdressers.
