Rich in character and charm, this handsome semi detached family home beautifully blends timeless craftsmanship with generous, well balanced living spaces offering a warm and stylish setting ideal for modern family life.

Set behind a neatly lawned front garden, the property benefits from a brickpaved driveway leading to a welcoming entrance porch. The home is introduced via an original stained glass door into an inviting hallway, where oak hardwood flooring flows seamlessly across much of the ground floor, enhancing the sense of heritage and continuity. The generous lounge is a superb living space, centred around a charming woodburning stove that creates a cosy focal point. This room opens naturally into the dining area, where an attractive leaded glass cabinet set within an alcove adds further character. From here, bifold doors extend into a delightful conservatory, a light filled retreat featuring built in seating and offering uninterrupted views of the garden, creating a perfect connection between indoor and outdoor living. The kitchen/breakfast room is both practical and stylish, fitted with ample cabinetry and a peninsular unit. A trap door provides access to the cellar, currently housing the boiler and offering potential as a wine cellar or storage space. A side access door adds further convenience. A dedicated study and a bathroom complete the ground floor accommodation.

Upstairs the principal bedroom benefits from built in wardrobes, two further double bedrooms are served by a beautifully appointed contemporary bathroom featuring a double shower enclosure and a freestanding egg bath and a separate WC.

Externally, the rear garden has been thoughtfully landscaped to provide a decked terrace with steps leading down to a lawn bordered by mature shrubs and planting and a further decked area, enclosed by a recently installed timber fence. There is also a useful garage with timber sliding doors.

A viewing is most highly recommended of this superb family home.
