Occupying a prime position within the highly desirable area of Higher Whitley, this handsome extended detached home combines traditional build quality with generous modern family living. Properties on the upper section of Whitley Crescent have always been particularly sought after thanks to their wider plots, larger gardens and solid construction — offering a wonderful long-term home in one of the area's most established residential settings. Beautifully extended and thoughtfully improved, the property now offers almost 1,800 sq.ft. of versatile accommodation, perfectly designed for modern family life and entertaining. The ground floor is especially impressive, centred around a welcoming reception hallway which leads into a superb open-plan kitchen, dining and family space. Stylishly remodelled, this sociable heart of the home flows seamlessly into a stunning sun room extension overlooking the rear garden, creating the perfect setting for relaxed family evenings, entertaining guests or summer gatherings with doors opening onto the patio and lawn beyond. Further ground floor accommodation includes a spacious living room, practical utility room, larder storage, cloakroom/WC and an integral tandem double garage which offers excellent storage whilst also presenting exciting potential for future conversion into additional living accommodation if desired. Upstairs, a bright and airy landing leads to four genuinely spacious bedrooms — notably with no box room — alongside a sleek modern family bathroom. The home has been tastefully updated throughout with a well-presented interior ready for immediate enjoyment. Externally, the property continues to impress with mature gardens to both the front and rear, a generous double driveway complete with EV charging point and excellent kerb appeal. Other benefits of this wonderful home include gas central heating with economical combination boiler and full double glazing. Combining substantial proportions, a superb family layout and one of Higher Whitley's most desirable positions, this is a rare opportunity to acquire a forever family home with space to grow into for years to come.
