**9 RUFFIELD CLOSE
WINCHESTER, SO22 5JL**

An impressive, extended four-bedroom detached home occupying a generous corner plot in sought-after Weeke, offering exceptionally versatile family accommodation together with a lift serving the first floor, garage, car port and driveway parking.

Set within a popular cul-de-sac in the Weeke district of Winchester, this substantial detached home has been thoughtfully modernised and extended to create wonderfully flexible accommodation extending to approximately 1,774 sq ft, in addition to the garage.

Originally built in the 1970s, the house has evolved into an excellent contemporary family home, with the additions including an extended kitchen/breakfast room and garden room. The result is an unusually generous and adaptable ground floor, with three distinct reception areas alongside an impressive kitchen at the heart of the house, and a useful cloakroom.

An unusual and particularly valuable feature of the house is the one-person passenger lift, providing direct access from the entrance hall to the first floor. This, combined with the generous proportions and flexible layout, gives the property an adaptability that is rarely found in houses of this type (*Agent's note: this can be removed if not required by a purchaser*).

A covered entrance porch opens into a welcoming hallway, from which the principal ground-floor rooms are approached.

The particularly spacious sitting room extends to approximately 21ft and enjoys a dual aspect, together with a feature fireplace.

This opens through to the garden room, providing an attractive additional living space with sliding doors opening directly onto the garden.

The separate dining room is another generously proportioned room, measuring approximately 18ft and featuring bespoke fitted cabinetry, providing both attractive display space and useful storage. French doors open directly onto the garden, while there is convenient access through to the kitchen/breakfast room. Its impressive proportions make it equally well suited to larger-scale entertaining and relaxed everyday family life.

A particular highlight is the extended kitchen/breakfast room. Bright and contemporary, it is fitted with an extensive range of painted cabinetry complemented by marble-effect work surfaces and a tiled splashback. A peninsula incorporates the sink and provides a natural division within the room, with ample space for a breakfast table and a door leading to the rear garden. A further door provides side access to front drive and parking area. The adjoining utility room continues the fitted storage and work surfaces and provides useful additional space for appliances.

Upstairs, the accommodation is arranged around a central landing and provides four well-proportioned bedrooms. The principal bedroom is a particularly generous double, overlooking the rear garden and benefiting from its own en suite bathroom. There are three further bedrooms, offering plenty of flexibility for children, guests or home working, together with a family bathroom.

The lift arrives within Bedroom 4, allowing this room and the wider first-floor accommodation to be readily accessible.
