Description

An exceptionally bright two-bedroom apartment with a superb west-facing terrace, occupying the third floor of an elegant red-brick period building in one of Knightsbridge's most desirable garden squares.

The standout feature of the property is the impressive 217 sq ft west-facing terrace, a rare find in this part of London and a fantastic extension of the living space. With open, far-reaching views across the surrounding rooftops and excellent afternoon and evening sun, it provides a wonderful setting for outdoor dining and entertaining.

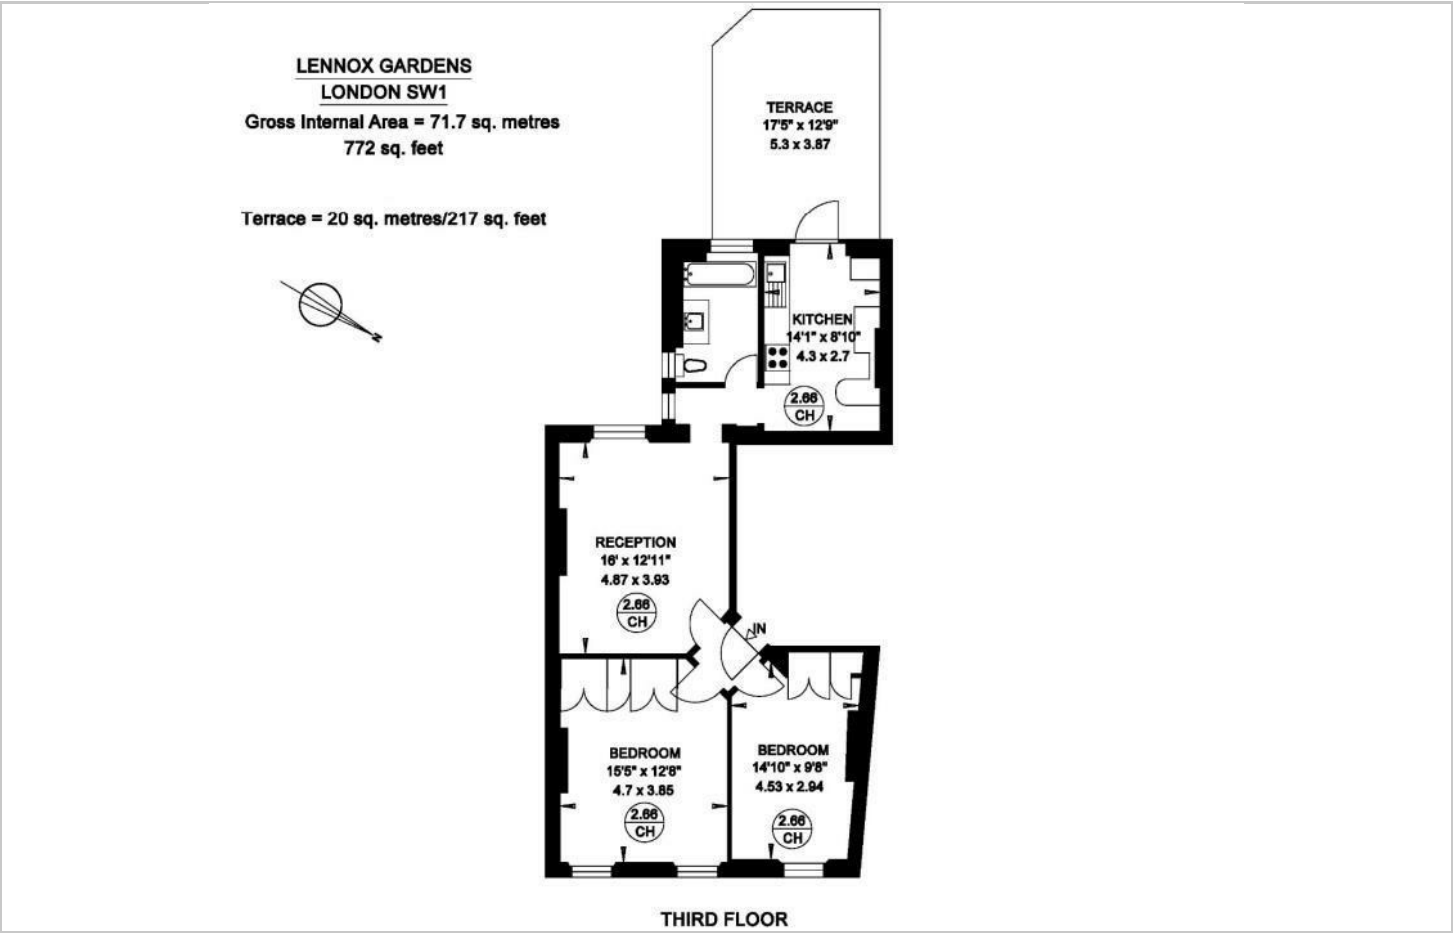

The apartment itself is filled with natural light and offers well-proportioned accommodation throughout. The reception room is particularly bright, while the separate kitchen/breakfast room opens directly onto the terrace, creating a natural connection between the indoor and outdoor spaces. There are two double bedrooms, both overlooking the attractive communal gardens to the front, together with a family bathroom and wooden flooring throughout.
