Maps
Coal Mining

MARTIN&CO

This map displays nearby coal mine entrances and their classifications.

Mine Entry

- Adit
- Gutter Pit
- Shaft

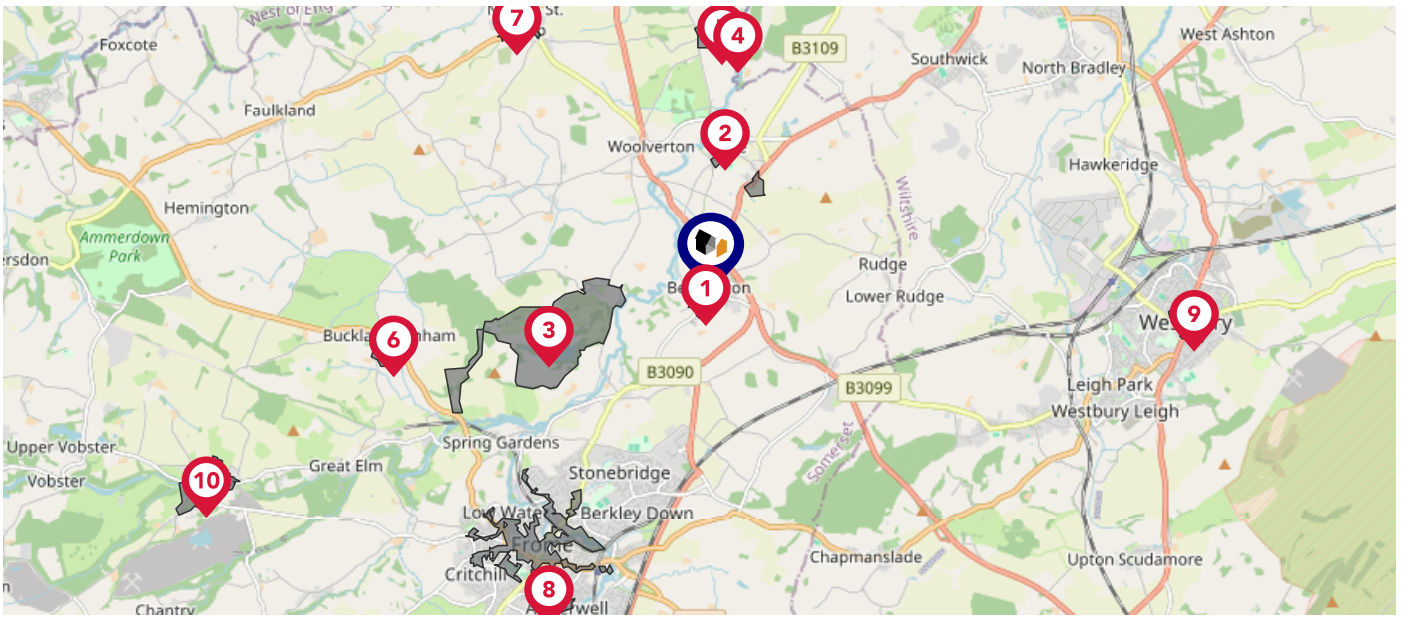

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

Rail Noise Data

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

5	75.0+ dB
4	70.0-74.9 dB
3	65.0-69.9 dB
2	60.0-64.9 dB

What is Radon?

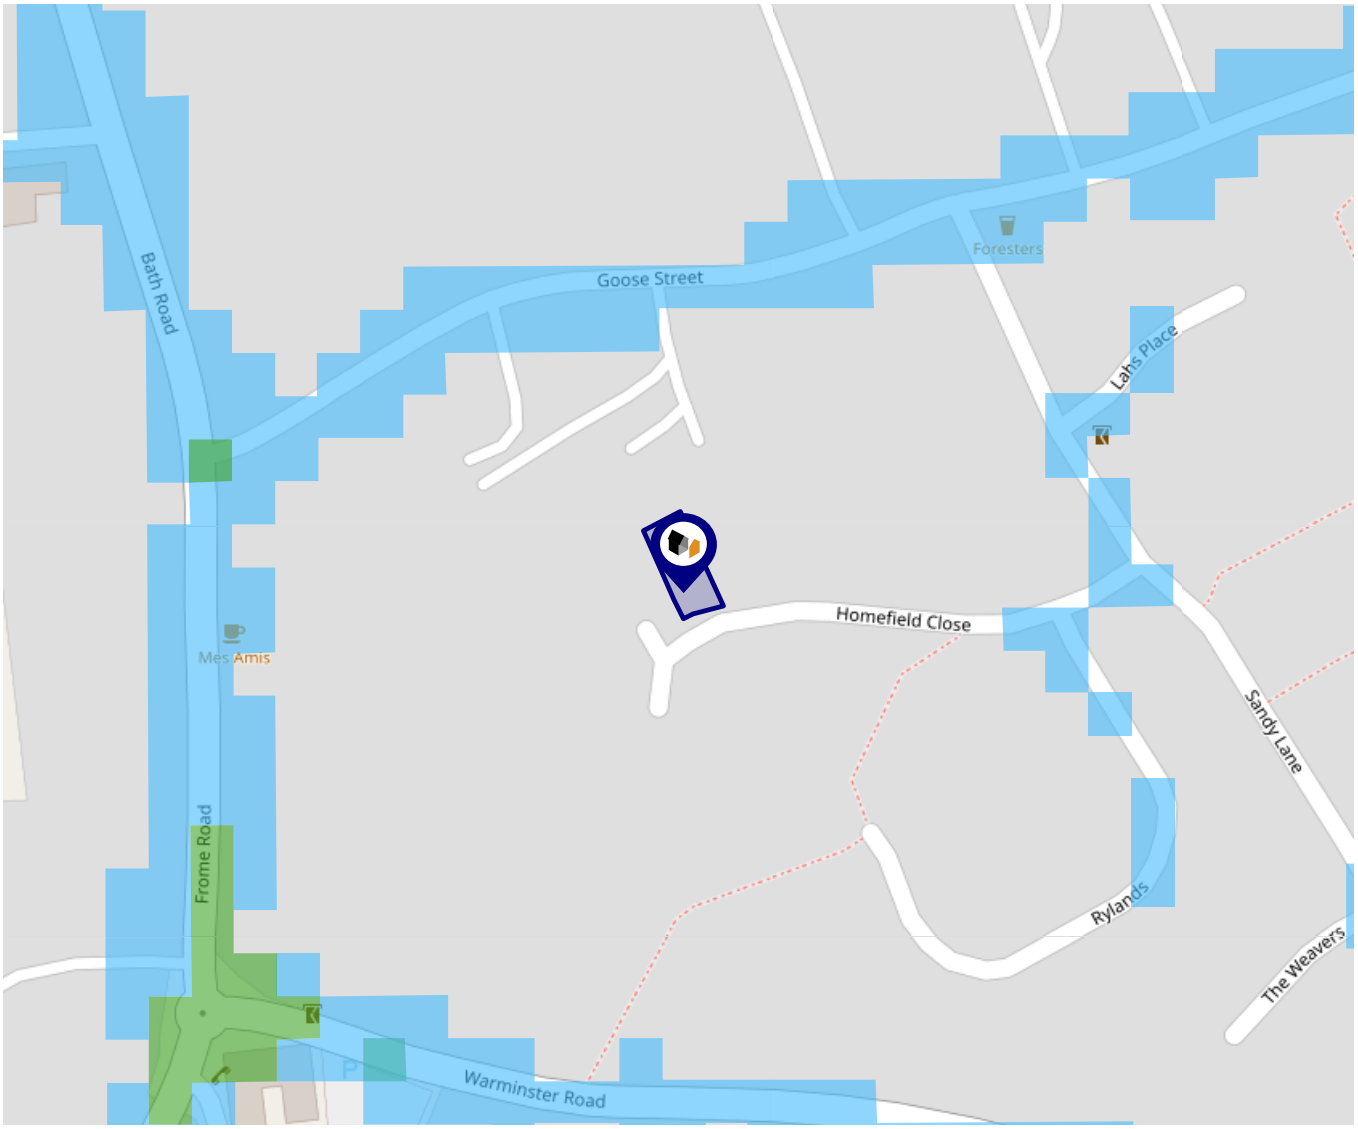

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m3).

Everyone at Martin & Co was courteous and polite, and gave excellent professional support throughout the selling procedure. They hold regular meetings with the solicitors to keep things rolling along, and our sale went through in around 2 months!

A well equipped and professional agent for letting. The team communicate very well and are nothing if not honest. Expertise is very high and as a landlord who is not an oligarch well judged and fair. Based on my own experience this is an outstanding agent with great people very well set to serve needs of landlords and renters alike.

Testimonial 3

Kerri showed us around some of the available properties today, she was so kind and friendly, she made it such an enjoyable experience and was very knowledgeable too. Kerri was able to point us in the direction of further mortgage advice as first time buyers and also discussed other properties on the market that may be of interest in line with our budget, which was very helpful!
