THE PROPERTY

The character front of this wonderful building is full of charm and character for this unique maisonette. Formally a hotel, this building offers a rare opportunity to acquire a ground floor maisonette in this arts and craft style building. The double opening entrance doors were formally the original entrance to the hotel and the lounge which encompasses the wonderful fireplace would have formed part of the hotel's entrance vestibule. The journey continues where the bedrooms are set either side of the expansive lounge/dining room with a substantial brick and tile fireplace. The master bedroom offers an exceptional en-suite. To the other side there is a main bathroom and separate bedroom. The property also has allocated parking and is conveniently located for a wealth of

local amenities. The property is simply a joy with a wealth of features bespoke to the period running right the way through but benefits from modern up to date fittings

VENDOR THOUGHTS

We acquired this property about three years ago and has ideally suited our needs. We intend to move closer into London and we have invested significantly in this wonderful glorious apartment and one of our biggest draws was to the character features.
