"This has been the perfect first home. The windows and balcony are south-facing, so the flat is really bright and warm. Despite being so central, it's also really quiet and feels like a sanctuary. The balcony looks onto Victoria Park and is a great place to sit with a coffee. It's really convenient having Temple Meads just down the road, and I've loved having so many great coffee shops, pubs, and restaurants nearby on North Street and Wapping Wharf."
