Found in an elevated spot with wide views across open countryside towards Dartmoor, these striking new homes combine contemporary architecture with genuine sustainability and craftsmanship. Designed and built to exacting standards, each property delivers the comfort, performance and style of a true modern country home, without the compromise.

Inside, every detail has been carefully considered. Air source heating with solar-assisted hot water, full underfloor heating across both floors, and independently controlled room zones create a warm, efficient environment all year round. The structure blends the strength of solid block and stone with the efficiency of a highly insulated timber frame, while Nordan hybrid windows which are aluminium outside, timber within, ensure exceptional energy performance and quiet comfort.

The living spaces are generous, filled with natural light and framed by triple-glazed patio doors that open onto landscaped gardens and those ever-changing Dartmoor views. Each kitchen is bespoke with worktops, Siemens appliances and a sleek, understated finish that complements both family life and entertaining. Bathrooms and en-suites feature Duravit sanitaryware, Hansgrohe fittings, Porcelanosa tiling and Bluetooth-enabled heated mirrors, small touches that elevate everyday life.

Technology runs throughout, with full-fibre broadband, Cat 6 cabling, cinema-ready wiring and smart home connectivity ready for the next generation. Even the carports have been designed with the future in mind, constructed in timber with cedar cladding, power sockets, lighting and dedicated EV chargers.

Each home enjoys its own private treatment plant, ensuring independence with no shared management company or communal costs, while the craftsmanship is evident everywhere, from the sustainably sourced cladding to the hand-finished stonework.

Positioned just under two miles from the sought-after village of Cheriton Bishop, and within easy reach of the A30 for swift access to Exeter and beyond, these homes offer the perfect blend of rural peace and practical convenience.

With two remaining to reserve for occupation in summer 2027, there's an opportunity to add some personal choices.

Agents' Notes:

Boundaries, Access & Parking:

Boundary positions, access rights and parking arrangements have been provided by the seller, and any land plans shown are for identification purposes only. We have not seen the title deeds or other legal documents, and buyers should confirm exact details and ownership responsibilities with their conveyancer.

Broadband & Mobile Coverage:

Broadband speeds and mobile signal vary by provider and location, and service availability can change over time. Buyers can check current availability and predicted speeds at www.ofcom.org.uk or via the Ofcom coverage checker.

Virtual Staging:

Some images in this brochure may have been digitally enhanced or virtually staged, for example by adding lighting effects, twilight ambience, furniture or décor, to help illustrate how the property could look. These images are only illustrative and do not show the current fixtures, fittings or condition. Always rely on your viewing for an accurate understanding of the property.

Buyers' Compliance Fee Notice

Please note that a compliance check fee of £25 (inc. VAT) per person is payable once your offer is accepted. This non-refundable fee covers essential ID verification and anti-money laundering checks, as required by law.
