A beautifully presented one-bedroom, two-bathroom mews house, discreetly tucked away just off the vibrant Portobello Road in the heart of Notting Hill. Arranged over three floors and offered unfurnished, this exceptional home combines contemporary design with high-quality finishes, featuring a bespoke fitted kitchen, two luxurious bathrooms and a stunning top-floor reception room flooded with natural light from a large electric skylight.

The property is accessed via a smart panelled front door with Banham security locks, opening into a bright open-plan kitchen and dining room finished in soft grey tones with crisp white woodwork. The bespoke kitchen is fitted with sleek grey cabinetry, grey marble worktops and matching splashbacks, together with a central island incorporating a breakfast bar, ideal for informal dining. A comprehensive range of integrated AEG appliances includes a dishwasher, fridge/freezer, five-burner gas hob, electric oven, combination microwave and warming drawer, complemented by a Bosch washer/dryer, stainless steel sink with brushed steel mixer tap, and generous storage throughout. Grey stone flooring, recessed spotlighting, alcove display niches and full-height glazed doors complete this stylish entertaining space.

Stone-tiled stairs with a contemporary glass balustrade and underfloor heating lead to the first floor, where the generous principal bedroom benefits from built-in wardrobes and French doors opening onto a Juliet balcony. This level also offers two beautifully appointed marble bathrooms: a luxurious en suite with bath and separate walk-in shower, together with an additional shower room, providing excellent convenience for guests.

The impressive top-floor reception room is a superb, light-filled space positioned beneath a dramatic electric skylight with automated blinds and recessed LED lighting. Wired for Sonos and AV equipment, with built-in storage housing the boiler and hot water cylinder, this versatile room is equally suited as a reception room, home office or occasional guest bedroom.

Additional features include underfloor heating to the stairs and landings, a video entry system, alarm, heated
