Location Is Everything

Whetstone is a thriving village that offers a lively and welcoming local community, with plenty to enjoy for residents of all ages. Local amenities include the popular Blaby & Whetstone Boys Club and a nearby golf course, along with two well-regarded primary schools: St Peter's and Badgerbrook. The village also benefits from several churches, traditional public houses, and a wide range of local shops — including a post office, supermarket, pharmacy, and dentist.

Ideally located, Whetstone offers the perfect balance between city and countryside living. It provides excellent transport links, with easy access to the motorway network and Narborough train station close by, making it an ideal location for commuters.

Inside Story

This lovingly maintained and deceptively spacious end-town home occupies a popular residential position within walking distance of St Peter's Primary School, making it an excellent choice for first-time buyers, young families, or investors.

To the front of the property, a block-paved driveway provides off-road parking and leads to a single garage with an up-and-over door. The current owners have thoughtfully created a useful utility area to the rear of the garage. Stepping inside, you are welcomed by an entrance hallway with a staircase rising to the first floor.

The kitchen is fitted with a range of white wall and base units, complementary work surfaces, a sink and drainer, integrated oven and hob, and space for a fridge freezer. Adjacent to the kitchen is the dining area, creating a practical space for everyday living and entertaining. To the rear of the home, the bright and comfortable living room enjoys views over the garden through glazed sliding patio doors, allowing an abundance of natural light to fill the room.

Upstairs, the accommodation comprises three well-proportioned bedrooms and a beautifully refitted shower room, complete with a walk-in shower, vanity wash hand basin and low-level WC. The principal bedroom is particularly generous in size, offering ample space for wardrobes and additional furniture. The second bedroom is a comfortable double, while the third bedroom is an ideal single room, nursery or home office.

Outside, the enclosed rear garden has been designed for ease of maintenance, featuring a paved patio area that is perfect for outdoor dining and relaxing, together with a rear access gate.

This well-presented home has been thoughtfully cared for throughout and offers a fantastic opportunity to move straight in while still providing scope to personalise over time.
