

Nottingham Road  
Stapleford, Nottingham NG9 8BJ

A LARGE THREE BEDROOM DETACHED  
FAMILY HOME.

**Offers Over £400,000 Freehold**

A rare and interesting opportunity has arisen to purchase a large traditional three bedroom detached family home situated on a substantial plot of 0.28 of an acre.

Situated in this highly regarded residential suburb on the borders of Stapleford and Bramcote, the corner plot with Baulk Lane, screened from the road on a private garden plot. A driveway opens to a large forecourt providing parking for several vehicles. There is a detached brick built single garage, as well as a brick built double carport. The rear gardens have expansive lawns and deep-set tree and shrub beds and offer a good degree of privacy.

This traditional detached residence requires modernisation and improvement, offering fantastic potential to modernise and refurbish into a substantial family residence.

The accommodation currently comprises central hallway, living room, separate dining room and kitchen to the ground floor. To the first floor, the landing provides access to three well proportioned double bedrooms, bathroom and separate WC.

As well as the property offering fantastic potential to extend, modernise and develop, as it sits on a garden plot of 0.28 of an acre, there may well be the opportunity to re-develop the site for housing. Clearly, this will be subject to planning permission, etc.

A perfect location for families and commuters alike as highly regarded schools for all ages are within easy reach as are leisure facilities and open space with footpaths and open fields. For those looking to commute, the A52 is a couple of minute's drive away which links Nottingham and Derby, as well as Beeston, Nottingham University and Queen's Medical Centre, and Junction 25 of the M1 motorway for further afield.

The property and grounds offer fantastic potential to a variety of buyers and we strongly recommend early representation to avoid missing this opportunity.
