

12 Race Hill

Launceston | Cornwall

Town • Country • Coast

An attractive stone faced commercial building found in a prominent spot on the edge of Launceston Town with ground and first floor offices. The property has been occupied by a successful local company who are relocating to new premises in town and the business is unaffected.

The ground floor office has a prominent and expansive window letting in plenty of light. A door provides access to the main office space. There is an additional office/meeting room at the rear alongside a kitchen area and a cloakroom with a WC and a sink.

A door to the other side provides access to stairs leading to the first floor, where there is the main foyer/reception area with a concealed kitchen area and sink. A door leads into the front office which is a great size with attractive gothic style arched double windows at the front. At the side there is a shower room with a sink and WC.

We have been informed that the first floor was formerly a residential flat, so there is potential subject to the necessary planning consent to reinstate the residential usage. The building previously had planning agreed to turn the whole property into a residential dwelling.

To the side of the property there is off road parking for 1 vehicle.

Situation

Launceston is an ancient town steeped in History with the imposing Launceston Castle overlooking the town and surrounding area. Referred to as 'the gateway to Cornwall' Launceston is centred one mile (1.6 km) West of the River Tamar, which constitutes almost the entire border between the Cornish peninsula and Devon, the A30 is ideally located on the fringe of Launceston connecting to the rest of Cornwall with great access to the beautiful Coastline whilst providing great access to Plymouth and Exeter and beyond. The town itself offers a variety of individual businesses from boutiques to fine food shops, blending with occasional national outlets including Tesco, M&S Food and Costa coffee. Local facilities include a leisure centre, medical facilities and well regarded primary and secondary schooling.
