TWO-BEDROOM END-OF-TERRACE HOME | GARAGE IN A BLOCK | NO ONWARD CHAIN

Situated in Hewitt Road, Poole, close to Cobbs Quay marina, this two-bedroom end-of-terrace home offers a separate kitchen/breakfast room, lounge/diner and a garage in the block behind. Offered for sale with no onward chain, it is well worth a look for buyers seeking a home close to the water.

The ground floor features a lounge/diner with space for both seating and a dining table. The separate kitchen/breakfast room sits at the rear of the property and has an external door to the garden.

Upstairs, the landing leads to two bedrooms, a bathroom and a useful storage cupboard and loft space.

The garage provides additional storage or parking away from the house, while the location places the marina and Poole's waterfront surroundings within easy reach.
