The stylish shaker style kitchen boasts striking stone worktops and houses a 5-burner gas hob with extractor over, a combination oven and grill oven, a dishwasher and leads to both a utility area with space for further appliances and a study area. From here there is integral access to the double garage with workshop area and a handy lean too. A guest toilet completes the ground floor.

A staircase rises through the bright vaulted hallway to a galleried landing with airing cupboard and loft access off. The principal bedroom is an impressive size and features a wall of built in wardrobes with a neat T.V within, as well as a well-proportioned en-suite shower room. There are 3 further double bedrooms, served by a family bathroom, complete with over bath shower and built in storage.
