Guide Price £375,000 - £400,00

Welcome to Longtown Road — a spacious, beautifully presented two-bedroom house that absolutely understands the assignment. From the moment you arrive, the off-street parking gives you that quiet little life win (no more circling the block). Step inside and you're greeted with light-filled, well-proportioned rooms that balance comfort and style like a pro.

The living space is inviting, versatile and ready for everything from Netflix marathons to “we should totally have people over more” evenings. The kitchen is sleek and functional — perfect for midweek meals, weekend brunches, and the occasional “I’ve watched one episode of MasterChef so now I’m confident” experiment.

Upstairs? Two generous bedrooms offering peaceful retreats, clever storage and space to actually breathe. Whether you need a second bedroom, guest room, nursery or home office — this home flexes with your lifestyle.

To the rear, the enclosed garden is your private outdoor escape. Morning coffee, summer BBQs, safe play space, or simply a glass of something chilled after a long day — it's secure, sunny and seriously usable.

Location-wise? You're moments from local shops, handy amenities and multiple well-regarded schools, making mornings smoother and weekends easier. Commuters will love the easy access to the A12, connecting you seamlessly to London and beyond.

In short: it's stylish, practical and ready to move straight into. Just bring the sofa and the housewarming guest list.
