Gas Central Heating

11 Mill Street, Hutton, YO25 9PU

Set within one of the areas most picturesque villages comprising predominantly individual distinctive homes, 'Westside House' stands proudly back from the roadside, partially secluded by a walled frontage.

This is a most impressive home with a versatile range of accommodation laid out over three storeys, having up to five bedrooms, though the uppermost floor could be utilised as a suite, if required. The main living space features a combined living room with dining area plus separate substantial sun room, having delightful views across the rear garden.

The kitchen is well fitted and includes a wealth of appliances and ample space for a breakfast table. The kitchen is also supplemented by a dedicated utility room.

The front forecourt to the property provides extensive parking facilities for multiple vehicles, whilst to the rear are delightful large gardens including a purpose built

summerhouse/workshop and open views beyond. The rear gardens have a sunny west facing aspect.

HUTTON

The two separate communities of Hutton and Cranswick are less defined today as the villages have evolved into almost one. Hutton is a small, largely undisturbed, settlement with the Church of St. Peter's being its single amenity. This attracts campanologists from far and wide who come to 'ring the changes'. Cranswick is nearby with an excellent range of village amenities, including the railway station.

OUTSIDE

The property stands back from the road behind an extensive gravelled courtyard. This provides ample car parking for multiple vehicles. There is a central planted area and side planted borders. To the rear of the property are extensive gardens - these are westerly facing and, therefore, will have a sunny aspect.

Immediately to the rear of the property is a paved patio and this gives way to a further gravelled area. There are planted borders and, at the bottom of the garden, a purpose built summerhouse/workshop with electric power and lighting.

CENTRAL HEATING

Gas fired central heating to radiators. The boiler also provides domestic hot water.

DOUBLE GLAZING

Sealed unit double glazing throughout.

TENURE

We understand that the property is freehold and is offered with vacant possession upon completion.

SERVICES

All mains services are available at the property.

COUNCIL TAX

Band E.

ENERGY PERFORMANCE CERTIFICATE

Rating D.

NOTE

Heating systems and other services have not been checked.

All measurements are provided for guidance only.
