## Denise White Estate Agents Comments

A beautifully presented three-bedroom link-detached bungalow, occupying a generous and level plot of over a third of an acre, offering spacious and versatile single-storey living. Originally built by the current owners, the property has been thoughtfully extended and improved over the years to create a well-appointed home finished to a high standard throughout.

The property is approached via a private, gated driveway providing ample off-road parking for multiple vehicles, leading to a double garage with an electric door. The flat nature of the plot makes this an ideal home for those seeking accessible, single-level living without compromising on outdoor space.

Internally, an entrance porch leads through to the accommodation, including a well-proportioned double bedroom enjoying lovely views over the rear garden. A further double bedroom with built-in wardrobes is accessed from the hallway.

To the rear of the property is a stunning open-plan kitchen, dining and living space, fitted with a contemporary gloss kitchen featuring integrated appliances and a breakfast bar—perfect for both everyday living and entertaining. This space flows seamlessly into a bright living/dining area with double doors opening out onto the garden, making the most of the beautiful countryside views. A spacious conservatory extends from the dining area, providing an additional relaxing space,

particularly during the warmer months.

The primary bedroom is positioned to the front of the home and benefits from dual aspect windows, a generous walk-in storage area, and a stylish ensuite bathroom. A well-appointed shower room serves the remaining bedrooms, and there is also a separate utility room for added convenience.

Externally, the rear garden is a standout feature, offering a substantial, private outdoor space mainly laid to lawn and bordered by mature hedgerows. A patio area, accessible from both the living space and conservatory, creates an ideal setting for outdoor dining and entertaining. The garden also includes two useful storage sheds and enjoys picturesque views across the surrounding countryside, enhanced by a variety of mature trees, including a beautiful blossom.

Further benefits include improved energy efficiency through the installation of solar panels and an air source heat pump. Above the garage, a boarded loft space with skylights provides additional practical storage or potential for further use.
