PROPERTY DESCRIPTION BY Mr Dion McArthur

This charming two-bedroom semi-detached home offers comfortable and convenient living. Upon entering, you are greeted by an entrance hall featuring a handy storage cupboard with utility access and a downstairs toilet. The ground floor boasts a modern kitchen and a spacious lounge perfect for relaxation. Upstairs, you'll find two well-sized bedrooms with built-in storage, alongside a family bathroom. Outside, the property includes both front and rear gardens, providing ample outdoor space. Additionally, there is allocated parking for two cars.

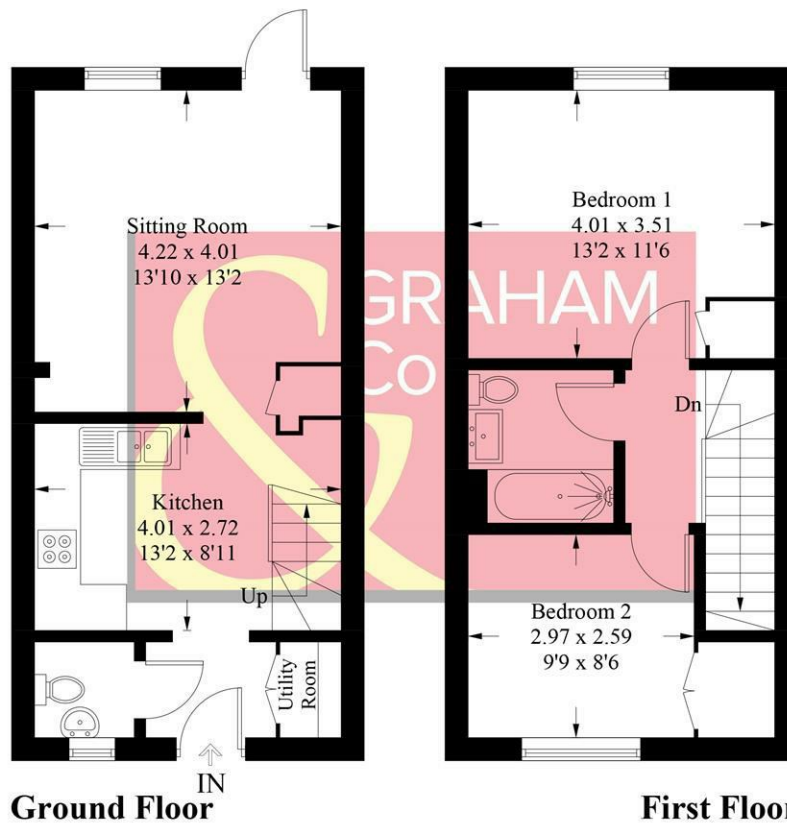

Augusta Park has history woven into its fabric with old flint farm walls from East Anton's time as farmland forming part of a major regeneration programme to this already well-established and bustling Hampshire town. This is an area with its own rich history. Andover is the location of a major crossing point of two important Roman roads: the Portway from Winchester to Marlborough, and the Icknield Way, which runs past Augusta Park on its way between Salisbury and Silchester. The actual site of the crossroads is very close to the development, but excavations in 1970, while revealing many Roman remains, failed to find the exact location. Now the area is a growing and welcoming community with a community centre, sports pavilion and the Endeavour Primary School already open, together with planned shops and village 'local area'. You will feel you belong from the start in a home tailored to modern living set amongst acres of beautifully landscaped open spaces, parks and play areas. Not wanting to travel too far for groceries? Then the brand new Co-op opened in April 2018 is on the doorstep located in East Anton Farm Road, along with the recently opened pizza takeaway for those not wanting to cook. Please note that as with most modern housing developments, this property may have a minimal yearly "estate charge". Please ask for further information.
