## SITUATION

Glebe House is situated in an elevated position, within a cluster of just 4 properties near the small and unspoilt village of Dunterton, enjoying a delightful rural setting with views over the charming parish church and rolling countryside beyond, with Kit Hill visible in the distance. The property is well placed for access to the Tamar Valley Area of Outstanding Natural Beauty, offering a wealth of scenic walks and outdoor pursuits. The nearby stannary town of Tavistock provides a range of independent shops, cafés and amenities, while the town of Launceston offers supermarkets, schooling and convenient access to the A30, linking to Exeter and beyond.

## DESCRIPTION

A former vicarage, Glebe House is an attractive 19th century stone-built, double fronted residence offering well-proportioned accommodation arranged over two floors. The property retains a number of character features typical of the period, including high ceilings, ornate cornicing and impressive open fireplaces. Whilst now requiring cosmetic updating throughout, the house offers considerable potential for enhancement and modernisation, presenting an excellent opportunity to create a substantial family home in a sought-after rural setting. The property is offered to the market with no onward chain.

## ACCOMMODATION

The accommodation is both spacious and versatile. A welcoming entrance porch with tiled flooring leads into a generous hallway. The principal reception rooms comprise a living room and a drawing room, both enjoying the fine outlook, with the latter opening into a front conservatory. There is also a study/library providing a quiet workspace and a well-proportioned, fully equipped downstairs shower room. The kitchen is complemented by a utility room with cold store pantry and boiler room. On the half landing is a useful separate cloakroom.

The first floor offers 4 bedrooms, including two particularly large double rooms to the front which benefit from the far-reaching views, all served by two Jack and Jill en suite facilities. A further bedroom and a spacious landing complete the accommodation. Heating is provided via an oil-fired boiler serving radiators, alongside an oil-fired Aga in the kitchen, with supplementary electric heating in places. The majority of windows are uPVC double glazed, with single glazed timber windows in the ground floor rear extension.

## OUTSIDE

The property is set within 2.4 acres of gardens and grounds. The gardens are a particular feature, being informally arranged and well stocked with a variety of mature planting including acers, camellias, apple trees, climbing roses, wisteria and a notable monkey puzzle tree, to name but a few. A walled side lawn garden with a mature Victoria plum tree and a secluded walled patio provide excellent spaces for al fresco dining and entertaining.

Within the gardens lies a mainly stone and block barn offering potential for conversion to an annexe or studio, subject to the necessary consents which have been granted in the past. There is a garage, ample off road parking, a stone built store, divided into two, and there is access to the lower floor of the barn which is currently used as storage and a wood store. A fantastic mature orchard lies to the rear, with a variety of productive apple trees and the 2 enclosed paddocks, located to the front and rear, are ideal for livestock, animals or ponies.

## SERVICES

Mains electricity, private water via the property's own borehole, with a back up water reservoir located towards the top of the land and private drainage via a shared septic tank. An oil fired boiler supplies several radiators, with an oil fired Rayburn in the kitchen and back up electric heaters where needed. Broadband availability: Standard ADSL, Mobile signal: voice and data available (Ofcom). Please note the agents have not inspected or tested these services. The property is sold subject to all local authority charges.
