A truly impressive split-level three double bedroom, first floor purpose-built maisonette that has been tastefully renovated throughout. This property is one of the finest examples available of an Edwardian maisonette which has been fully extended. These unique properties which were built early 1900's have their own front door and an internal staircase that leads to a private rear garden. SW19 Highly recommend viewing this gem of a property in the heart of Colliers Wood.
