From the moment you arrive, the new composite front door makes a bold first impression — modern, secure and stylish. Step through into the welcoming porch, ideal for coats, shoes and keeping the British weather exactly where it belongs... outside.

Inside, the property opens up into a generously sized lounge, offering plenty of space for relaxing evenings, family time or entertaining friends. It's light, airy and perfectly proportioned — the kind of room that feels instantly comfortable.

To the rear, the heart of the home awaits. The kitchen/diner has been tastefully updated with a stunning new kitchen, complete with a charming butler sink that adds character and practicality in equal measure. Whether you're hosting Sunday lunch, helping with homework at the table, or enjoying your morning coffee, this is a space designed for real living.

Upstairs, you'll find three well-balanced bedrooms. Two benefit from fitted wardrobes, maximising storage while keeping the space sleek and uncluttered. The third bedroom offers a built-in cupboard, making it ideal as a nursery, home office or guest room — flexible living at its best.

Outside, the garden has been beautifully maintained and thoughtfully landscaped. Featuring railway sleeper detailing, it offers a stylish yet low-maintenance outdoor space perfect for summer BBQs, evening drinks or simply unwinding. Rear access adds practicality — ideal for bikes, bins or future plans.

Driveway parking to the front provides everyday convenience, ticking that all-important box for modern buyers.

A home that's been clearly cared for, upgraded where it counts, and ready for its next chapter — Great Mistley is one you won't want to miss.
