Jersey Road

£975,000

Tucked away on a quiet street and in catchment for several outstanding local schools, this four bedroom period house is arranged over three floors and blends the perfect balance of period detailing and contemporary family living.

The property comprises a front reception room with a beautiful working log-burner, double glazed sash windows and ceiling cornice. The rear of the house has been remodelled and now boasts a wonderful open-plan kitchen/diner with a log burner, underfloor heating and bi-folding doors leading to a pretty South-West-facing garden. A very useful utility area and WC completes the downstairs.

Up onto the first floor there are three generous bedrooms and a family bathroom. The well-crafted loft conversion houses the principal bedroom with a en-suite shower room and plenty of additional storage space.

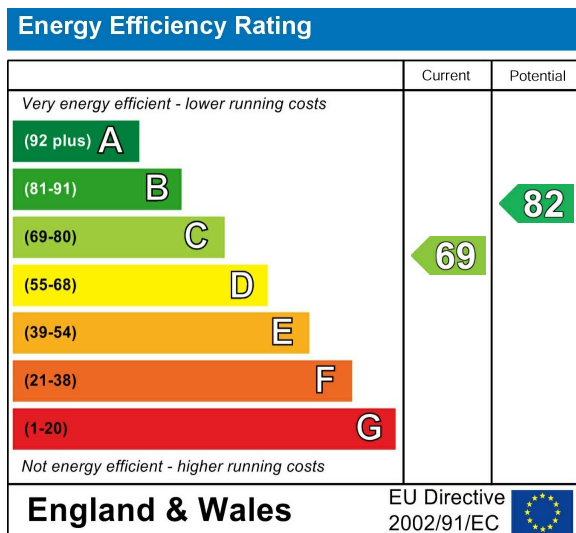

Jersey Road is a quiet street on the borders of Hanwell and Northfields and perfectly placed for excellent local schools notably Elthorne Park High and Fielding/Oaklands Primary, which are just a short walk away. Boston Manor and Northfields Piccadilly Line stations along with West Ealing Elizabeth Line station are also close by and Elthorne Park is literally at the end of the road.
