ABOUT THIS HOME

Chain free & move-in ready. Five-bedroom detached house built in 2019, set on a private gated development of eight homes with open farmland behind.

Built by Esquire in 2019, still covered by its NHBC warranty until 2029, it offers the space and setting of a family home.

The house extends to approximately 2,255 sq ft across three floors. At its centre is an open plan kitchen, breakfast and family room with Quartz worktops and French doors opening onto the wrap-around garden, the room the current owners describe as the heart of the house. Alongside it sits a sitting room with a log burner and a separate formal dining room that works equally well as a playroom, snug or home office.

Upstairs, the principal bedroom has a walk-through dressing area and luxury en-suite shower room. Four further double bedrooms are served by a contemporary family bathroom on the first floor and a second shower room on the top floor, an arrangement that suits older children, guests or multi-generational living.

Outside, matured trees for privacy, pergola and vegetable patch, and views over the neighbouring cherry orchard. There is a double garage and driveway parking for four cars, approached through an electric gate onto a shared private drive. There is also scope to extend to the side, subject to the necessary consents.

OWNERS COMMENTS

Owners Comments:

"We have loved living in this house and have really made it into our dream home.

The kitchen, adjoined dining room and garden have provided excellent space for Christmases, summer parties and family gatherings.

The open views to the garden and cherry farm next door, make this home feel bright and open. The matured garden has plenty of space with a pergola and veg patch.

During autumn and winter, we use the log burner to keep the house cosy and warm.

The local area is also very special, with lovely pubs in walking distance, many more with easy access in Staplehurst and West Malling. Surrounded by orchards, you'll also find lovely walks in every direction.

We're relocating to Greece, for a slower lifestyle, otherwise this would be our forever-home. We hope you enjoy it as much as we have!"
