A beautifully presented four bedroom detached home, extending to over 1,300 sq ft, ideally positioned within the sought after village of Hardwick.

Upon entry, a welcoming hallway with dark tiled flooring leads through to an impressive open plan living and dining space. Dual aspect views to the front and rear flood the room with natural light, while the bamboo wood flooring adds a refined finish. There is ample space for both seating and dining, complemented by a charming wood burner and patio doors opening onto the garden, creating a bright and inviting atmosphere.

The kitchen offers a timeless, classic style with generous worktop space, a range of fitted units, an integrated gas hob and oven with extractor, and space for additional white goods including a tall fridge freezer. A large window overlooks the rear garden, enhancing the light and outlook.

Further to the ground floor is a stylish cloakroom, ideal for guests, and a versatile, spacious utility room with vaulted ceilings, skylights, and direct access to the garden. Of the two garages, one remains as practical storage, while the other has been thoughtfully converted into a gym, finished with neutral décor and carpeting, along with an additional storage cupboard.

Upstairs, the property continues to impress with four well proportioned double bedrooms. The front bedroom enjoys views across open fields and benefits from integrated wardrobes, currently arranged as a dressing room. The principal bedroom to the rear offers a calm and restful setting, with the remaining rooms currently used as a guest bedroom and home office, providing flexibility to suit a variety of needs.

The family bathroom is fully tiled and fitted with a shower over bath, basin with vanity unit, WC, and a window for natural ventilation. An airing cupboard is also located on the landing.

Externally, the property is set back from the road, with mature planting providing privacy to the front. A driveway offers parking for two vehicles alongside a lawned area. The rear garden is well balanced, featuring a patio seating area, a generous lawn, a slate section with a purpose built flower bed, two sheds, and convenient side access.

With excellent connectivity to Cambridge city centre, as well as the A428 and M11, this stylish home offers the perfect balance of peaceful village living and accessibility. It also falls within the catchment area for the highly regarded Comberton Village College.
