### Some More Information

From the entrance door you enter the entrance hall where stairs rise to the first floor and doors give access to the kitchen sitting room, study and ground floor cloakroom. The study has a window to the front elevation and adjacent to the fully tiled cloakroom with window to the side elevation, low level W.C. and wall mounted wash hand basin, beyond the hallway leads to the kitchen which has been fitted with a range of eye and base level cupboard beneath rolled edge worksurfaces. Doors lead from the kitchen to the garden room, sitting room and utility room which is fitted with a range of matching cupboards and drawers along with wall mounted LPG central heating boiler and door to side. The sitting room is accessed from both the entrance hall and kitchen and has a floor to ceiling bay window to the front and an opening lead into the dining area which leads on to the extensive garden room to the rear. The garden room is glazed on two sides with integral glass window blinds and 4 panel central bi-folding doors along with expansive roof lantern.

To the first floor the principle bedroom has a window to the front elevation, space for wardrobes and en-suite shower room which is fully tiled with shower enclosure, low level W.C. and wash hand basin. Bedroom two has a window to the rear fitted wardrobes with mirror sliding doors and is a large double room. Bedroom three also a doubled sized room has a window to the front and bedroom four has a window to the rear as an occasional double room. Completing the first-floor accommodation is the family bathroom which is also fully tiled, with panel enclosed bath, low level W.C. and wash hand basin inset into a vanity shelf.

### Externally

Located in a cul-de-sac location the property has a driveway to the side of the property which in turn leads to the double garage with electric door and space for two vehicles within.

Gated access leads to the side of the property and into the rear garden which commences with an extensive area of paved terrace to the immediate rear of the garden room and curving retaining wall with step leading up to an area of lawn and pathway continuing on into the rear of the garden to an area of decking and naturally occurring pond. The lawn at the rear gives way to an area of grass sown with wildflowers and enclosed by trees and shrubs.
