

Our View “A property and surrounding gardens that offers lots of potential”

This period detached property offers a wealth of potential, with spacious accommodation comprising four reception rooms, a kitchen, bathroom, and three double bedrooms. Good-sized gardens surround the property, along with a driveway and detached garage. Enjoying far-reaching views towards The Moors, this property is highly recommended.

The accommodation begins with an entrance porch, which leads into the entrance hallway. This features wooden flooring, which continues throughout the ground floor. The spacious hallway provides storage, a staircase to the first floor, and access to four reception rooms. These rooms offer a range of uses, including living, dining, family, or study spaces, all benefiting from double-glazed windows overlooking the gardens, while some also enjoy double doors opening directly onto the garden areas. Situated between the reception rooms is the kitchen, which provides ample cupboard space and access to a utility area/rear porch, offering further access to the garden. From

the entrance hallway, stairs rise to the first floor, where a spacious landing provides access to three double bedrooms, all featuring double-glazed windows. The family bathroom comprises a pedestal wash hand basin, bath, storage units, and an obscured double-glazed window to the rear. Adjacent to the bathroom is a separate WC. From the landing, a double-glazed window enjoys delightful far-reaching views across Newton Abbot towards The Moors, and there is also a hatch providing access to the loft space. Externally, the property features substantial surrounding gardens. A gated entrance at the front leads via a pathway to the main entrance, passing a mature, level garden area. The gardens wrap around the property, providing a high degree of privacy and excellent potential for landscaping or further enhancement. To the side of the property is a driveway leading to a detached garage with a metal up-and-over door and access through to the rear garden. The size of the plot and gardens must be seen to be fully appreciated, with the property offering enormous potential for any prospective new owner.
