Many people find having the support of a scheme manager helps them to identify and overcome difficulties. These difficulties may prevent them from improving or maintaining independent lives.

We will help you to plan the support you need to live independently. You will be signposted to the appropriate services for welfare and benefit advice to gain confidence in accessing different support channels set-up by the government. As well as helping to overcome existing difficulties, this often prevents new problems developing.

### **We will help you with:**

- Gaining more independent living.
- Gaining advice in claiming welfare benefits.
- Making decisions for yourself.
- Having a say about any changes relating to the service or the scheme.
