The Property

This detached property is currently arranged as a two bedroom bungalow with a one-bedroom annexe on the lower ground floor.

For buyers seeking a single dwelling, a hatch between the two floors marks the position of a former staircase, which could easily be reinstated to reconnect the levels.

In its current configuration, the property is ideal for those wanting a bungalow-style home with additional accommodation for either older or younger family members. It would also suit buyers looking for a coastal property with income potential, whether through holiday or residential letting.

Each part of the property has its own parking and outdoor space, allowing them to function as completely independent homes if required. To the rear, there is also a detached garage that provides additional parking.

The full accommodation includes:

The Bungalow(Upper Floor): Living room, kitchen, shower room, two bedrooms, and an attic room.

The Annexe (Lower ground floor) : Open-plan living room/kitchen/diner, double bedroom, and shower room.

30 Tywarnhayle Road is located within a short walk of the cliff path that over looks Perranporth Beach, so in turn provides a lovely walk down to the golden sands. Perranporth is famed for as well as being close to everything Perran offers for day to day living or the perfect holiday getaway.
