Set at the foot of the much-admired Wraxall Vineyard, Winters Field, The Vinings, is one of seven new homes in an exclusive collection of properties perfectly positioned to enjoy uninterrupted, far-reaching views across the rolling landscape of South Somerset.

This is a place where rural calm meets considered design – crafted homes that sit comfortably within their surroundings while offering a refined, contemporary standard of living.

Each home at The Vinings has been designed with longevity and everyday enjoyment in mind. The light-filled interiors in Winters Field flow effortlessly, grounded by engineered oak flooring throughout the ground floor, while carefully chosen finishes bring warmth, texture and timeless appeal.

At the heart of the home lies a beautifully appointed Howdens shaker-style kitchen, painted in 'Pebble', paired with elegant white Silestone worktops and a generous breakfast bar ideal for relaxed mornings or informal entertaining. The cabinetry is complemented by solid brass or bronze hardware and thoughtful details such as deep pan drawers, wine racks and under-counter lighting. Integrated appliances include an AEG double oven, Smeg induction hob with extractor, Lamona fridge freezer, dishwasher and wine cooler, alongside a practical built-in larder.

As you enter the property there is a designated space for removing shoes and hanging coats. Practical Porcelanosa floor tiles feature in the adjoining WC, in the main bathroom and en-suite, while the bedrooms are softened with 100% wool Hereford boucle loop carpets. The feature staircase is finished with a striking herringbone sisal runner in 'Copper' with linen trim, paired with stairs painted in a greeney-grey – giving 'wow' factor as you enter the hallway.

The bathroom and en-suite also features Porcelanosa wall tiles, sanitaryware and fittings, creating calm, cohesive spaces that feel both contemporary and enduring.

Comfort is assured year-round with underfloor heating to the ground floor, complemented by radiators to first-floor bedrooms and landings and towel radiators to bathrooms.

Internally, a soft and natural colour palette runs throughout this 3-bedroom home, with walls finished in Dulux Bleached Lichen 3 and contrasting skirtings and architraves. Black-stained internal doors provide a confident, architectural accent.

Outside

Each home at The Vinings benefits from a private patio, outside tap and parking. The setting itself is a defining feature – countryside walks, open skies and ever-changing countryside views forming a daily backdrop from the back garden hedge-line.

The Development

Designed and constructed by a highly-regarded local builder, this development of seven bespoke properties combines luxurious living with a small-scale community on the edge of Wraxall.

Situation

Situated just 5 miles from Castle Cary and 20 miles south of Bath, nestled between the Mendip Hills and the Blackmore Vale, Wraxall is a beautiful and well-connected hamlet.

The development is just a short walk from award-winning Wraxall Vineyard and The View – a stunning events space used for local wine and pizza nights, wine-tasting workshops and private events.

The neighbouring village of Ditcheat boasts a community shop, church, and highly regarded primary school. Families will particularly value The Vinings' proximity to Ditcheat Primary School, one of Somerset's most highly regarded village schools.

Just 10 minutes away, Castle Cary blends market-town charm with convenience, offering independent shops, galleries, a weekly market of fresh local produce and a full range of everyday amenities. The internationally acclaimed The Newt in Somerset is also just a 10-minute drive away.

Excellent transport links include Castle Cary's mainline station, with direct trains to London Paddington in around 90 minutes, while Templecombe Station provides direct links London Waterloo. The A303 provides a direct route to London via the M3.

There are excellent local independent and state schools nearby. Ditcheat, Bruton and Castle Primary School are all within a 5-mile radius.
