### Situation

Moortown is set between the small town of Chulmleigh and the village of Chawleigh and was originally a large Barton Farm until the late 1980s when the farmstead of traditional barns was converted into dwellings. The Byre is set on the very southern edge and as such has a very appealing outlook over its own gardens.

Chawleigh is only one mile to the east and has a community shop/post office, Church and the Earl of Portsmouth public house. Chulmleigh is also only a mile away and has a further range of facilities and amenities including a health centre, dentist, various shops and pubs and an 18 hole short golf course. The Cathedral City of Exeter is about 23 miles.

Eggesford Station which lies on the picturesque Exeter to Barnstaple railway, The Tarka Line, is only about 2½ miles.

The property is approximately equidistant between Exmoor and Dartmoor National Parks and there is also a wide array of forestry walks and outdoor pursuits available in the local area.

The renowned North Devon Coastline with its wide sandy beaches is within easy reach by car.
