Overview

Positioned in the heart of Fontmell Magna is this charming two-bedroom, thatch cottage that boasts a south facing rear garden of in excess of 150ft. The property is Grade II listed, being sold with no forward chain and provides parking to the rear of the garden.

Inside the Home

In need of general updating throughout, the ground floor comprises a welcoming sitting room, centred around the impressive inglenook fireplace which provides a cosy focal point.

A separate dining room offers an ideal space for entertaining or family meals, while the galley kitchen provides practical workspace. Also on the ground floor is a study, offering a useful area for home working or hobbies, together with a shower room. To the first floor are two well-proportioned bedrooms, each enjoying the character expected of a property of this era, along with a family bathroom serving the accommodation.

Outside Space

The property benefits from a delightful south-facing rear garden extending to over 150ft in length, providing a wonderful outdoor space that enjoys sunlight throughout the day.

The garden is predominantly laid to lawn, interspersed with well-stocked flower beds and borders that provide seasonal colour and interest.

Immediately accessed from the property is a patio to create an appealing alfresco dining spot whilst to the rear of the garden are vegetable patches. There is also a workshop together with additional garden storage.

Parking for the home is situated to the rear of the garden, accessed from a track to the right of the property itself.
