Overview

****No onward chain**** Late 15th/16th century in origin and re-built 19th century. A rare opportunity to acquire a Grade II listed, period cottage nestled on the historic site of Castle Donington's medieval castle. Filled with traditional charm, this unique residence is set within substantial grounds which features a modern, self contained studio and a detached workshop/garage. The cottage dates back to the late 15th century, it was then rebuilt in the 19th century, and has been renovated to modernise several rooms since. The exposed timber beams, shaped ceilings and period style doors throughout showcase the historic character of the original cottage, whilst the kitchen and master bedroom extension bring a contemporary element to the property.

The main cottage comprises 3 bedrooms, 3 reception rooms, 3 bathrooms and a kitchen/diner. The studio is a large room big enough for a sleeping and sitting area, kitchenette and modern shower room.

Castle Donington is a historic market town in North West Leicestershire, popular with families, professionals, and commuters alike who appreciate the welcoming community and excellent regional connectivity. The town's high street boasts a variety of independent cafes, boutique shops, pubs, and restaurants. Ideally positioned for travel, Castle Donington benefits from road links via the A50, A38, and M1, as well as regular public transport connecting directly to Derby, Nottingham, and Leicester. With East Midlands Airport, East Midlands Parkway railway station, and the iconic Donington Park circuit located just minutes away.
