The Cottage, 1a Long Causeway, Wakefield, WF1 3SE

For Sale Freehold £360,000

A distinctive property, offering a wealth of charm and character throughout, it is a superbly appointed and deceptively spacious, three bedroom link-detached cottage believed to date back to circa 1890. A unique property which combines traditional character with well proportioned accommodation and would ideally suit a professional couple, family or those looking to downsize.

The accommodation briefly comprises an entrance hall, downstairs W.C., dining room, living room, kitchen and a versatile office/bedroom three. The office forms the only part of the property attached to the neighbouring home, with the remainder of the accommodation detached. The whole of the ground floor is covered internally with a burglar alarm which can be set before finally leaving and exiting via the front door. To the first floor are two further double bedrooms, a useful store room and a modern fitted house bathroom. Externally, to the front is an attractive block paved courtyard setting with electric gated access, providing off street parking for one to two vehicles.

Enjoying a set-back position on a lane off the main road, with an open outlook across the adjacent park and children's play area, it provides a rare sense of privacy. The property is conveniently situated within easy reach of a range of local amenities including shops and schools, and with a range of bus services operating nearby. Wakefield city centre, railway and bus stations are also within easy reach, together with convenient access to the motorway network and nearby hospital.

A truly appealing cottage which deserves an early internal inspection to fully appreciate the space, character and versatility on offer. An early viewing is highly recommended.
