The Property

Upon entering the building, stairs and lift provide access to all floors leading to the second floor and up to the personal front entrance door of the apartment. Initially you are greeted by a good size entrance hallway with storage and a door at the far end leads through to the lounge/dining room. This is a superb light, bright and airy room and a particular feature in our opinion offering ample space with a pleasant view from the two velux windows. This then leads through to the larger than average size fitted kitchen with plenty of units and drawers, integrated electric hob, eye level/wall oven and there is room for a good size upright fridge/freezer. The double bedroom has a bay/recess window again with a view and there is a fitted wardrobe but there is also

space for additional bedroom furniture. A modern white three piece shower room with a walk in shower cubicle and vanity unit then completes the impressive accommodation.

There is a house manager (certain hours may apply) and located within the building are excellent facilities including a communal lounge with kitchenette, laundry room and guest suites.

Outside the development is set within very well-maintained communal grounds with Poole Quay, Baiter Park, the shopping centre/amenities and excellent bus services all on the doorstep. There are also communal parking spaces on a first come first served basis.
