Our Vendor Loves..

"We have loved living here over the past 5 years and are very sad to be leaving. The house is a great size with lots of storage and the kitchen is perfect! The street is sandwiched between two beautiful parks: Sydenham Wells and Crystal Palace which are both lovely to walk around. The area is really quiet and green and all of our windows look out on trees which we like a lot. We are walking distance from Sydenham High Street, Kirkdale Road, and Crystal Palace Triangle all of which have good options for pubs, cafes, restaurants and independent shops and the transport links makes it very easy to get into central."
