Description

Entering the property, you find yourself in a large, bright reception hallway with doors into all main living areas, the study and ground floor w.c. There are stairs which rise to the first-floor level with a storage cupboard adjacent. As previously mentioned, there are two large reception rooms, a bright lounge with shuttered windows to the front and rear elevations, plus bi-folding doors which open onto the rear garden. The lounge is a lovely spot for any family to gather, fitted with a media wall with shelving to either side, and a cosy contemporary fireplace which is inset to the wall. The second reception in a spacious sitting/dining room which overlooks the front of the property. For applicants looking for a space to work from home there is a separate study with ample space for any office furniture. Fitted in the kitchen / breakfast room is an extensive range of 'Shaker' style wall and base units with wooden work surface over which includes a central island unit, all providing excellent storage options. Integrated appliances include a microwave and wine chiller, and there is space for a Range style cooker with extractor above. A separate utility room provides additional storage along with space and plumbing for a washing machine, tumble dryer and large, double fronted fridge/freezer.

Spacious, first floor landing with doors to all rooms and access to the loft space. The loft space is plentiful and would provide an excellent opportunity for conversion (stpp). There are four double bedrooms, three of which have fitted wardrobes with plenty of space in the remaining bedroom from either freestanding or fitted furniture. The master bedroom is a lovely bright room which benefits from having access to its own fully tiled, en-suite shower room. Furthermore, there is a large, fully tiled family bathroom which features a lovely, freestanding, double ended oval bath, a separate shower cubicle, a wash hand basin that is set into a floating vanity unit and a w.c.

To the rear of the property, you have a private garden which is largely un-overlooked, screened with mature shrubs and hedging. The garden commences with a paved patio which leads into neat, brick edged lawns and there is a pretty 'band stand' style pergola to the bottom of the garden. There is plenty of parking to the front on a large blocked paved driveway, which leads down the side of the property where you have access into a detached, double garage.
