## Hannett Road, Canvey Island Guide price £450,000

Aspire Estate Agents are delighted to present this beautifully finished four-bedroom family home, set in a popular residential area and offering a thoughtful balance of classical design and modern living.

£450,000-£500,000

Built and completed by an experienced professional in the construction industry, the property has been designed with care, quality, and functionality in mind. The exterior boasts elegant Georgian-inspired features, including traditional brickwork and decorative quoins, giving the home a smart, symmetrical appearance. A newly fitted black front door adds a contemporary contrast, creating a bold and welcoming first impression.

Inside, the ground floor showcases engineered oak flooring throughout, offering both durability and a warm, inviting aesthetic. At the rear of the home, 3-metre bifold doors open onto the garden, framed by a distinctive black Marquina marble surround — a striking feature that brings in natural light and creates a seamless indoor-outdoor flow. The central staircase, with floating oak treads, a glass balustrade, and oak handrail, acts as a subtle architectural focal point, adding a sense of openness and refinement.

The kitchen has been finished to a high standard, featuring integrated appliances and a sleek, modern layout ideal for both everyday living and entertaining. Adjacent to the kitchen is a separate utility room, providing valuable additional storage and space for laundry appliances — helping to keep the main living areas functional and clutter-free. A dedicated study or home office offers the perfect space for remote work or quiet focus. The ground floor also includes a modern downstairs W/C and a converted garage, now functioning as a fully self-contained studio flat — a fantastic option for guests, multigenerational living, or potential rental income.
